

# ACEC/PAC Trustees

**ACEC STRATEGIC PLAN:** The six strategic goals under the plan are:

1. Become recognized by all engineering companies in the United States as their legislative advocate for the promotion and protection of their business interests.
2. Become recognized by all engineering companies in the United States as their primary resource on business practices.
3. Become recognized by all stakeholders in the built environment as the national voice of the engineering industry.
4. Grow ACEC/PAC to a \$1 million-per-year PAC by 2010, while “capturing” the influence of our most politically active individual members.
5. Grow the Minuteman Fund to respond to critical state issues and federal appellate cases while maintaining a “war chest” of \$1 million.
6. Grow the number of member firms by 2% each year, grow the number of member firm employees by 3% each year, and recruit 90% of the eligible *ENR* “Top 500 Design Firms” as ACEC members by 2010.

## **PURPOSE:**

ACEC’s Political Action Committee Trustees, under the rules of the Federal Election Commission, oversee the solicitation of contributions, which support Federal Congressional candidates. The Trustees are selected for three-year terms with one serving as chairman. Trustees approve the criteria for fund allocation; overall fundraising programs, and support state Member Organizations in conducting their own fundraising and distribution programs. ACEC/PAC works in conjunction with ACEC’s legislative program to support Members of Congress and candidates who will support the interests of the engineering industry and create an improved business environment for ACEC members.

## **2005-2006 GOALS:**

1. Implement Strategic Plan Goal #4.
2. The goal of ACEC/PAC for FY2006 is to raise \$500,000.
3. Solicit every eligible ACEC member firm (prior approval of firms required).
4. Recruit 40-50 Chairman’s Club Members.
5. Recruit leadership in the states for a fundraising campaign.

## **PROGRESS REPORTS:**

The Committee shall make quarterly reports to the Chairman (copied to the President) on progress made in achieving Committee goals.
