

Research and Management Foundation

ACEC STRATEGIC PLAN: Six strategic goals under the plan are:

1. Become recognized by all engineering companies in the United States as their legislative advocate for the promotion and protection of their business interests
2. Become recognized by all engineering companies in the United States as their primary resource on business practices
3. Become recognized by all stakeholders in the built environment as the national voice of the engineering industry
4. Grow ACEC/PAC to a \$1 million-per-year PAC by 2006
5. Grow the Minuteman Fund to \$1 million by 2006
6. Grow the number of member firms by 2% each year, grow the number of member firm employees by 3% each year, and recruit 90% of the eligible *ENR* “Top 500 Design Firms” as ACEC members by 2010.

PURPOSE:

The Research and Management Foundation’s mission is to support ACEC by leveraging funding from government and private sources for educational and research programs in support of ACEC objectives.

2005-2006 GOALS:

1. The Foundation will develop programs desired by ACEC and which ACEC itself is unable to accomplish for reasons of legal status or organization.
2. The Foundation will concentrate on research or program management in areas of priority activity for the Council.

PROGRESS REPORTS:

The Committee shall make quarterly reports to the Chairman (copied to the President) on progress made in achieving Committee goals.
