

Engineering Excellence Awards Committee

ACEC STRATEGIC PLAN: Six strategic goals under the plan are:

1. Become recognized by all engineering companies in the United States as their legislative advocate for the promotion and protection of their business interests.
2. Become recognized by all engineering companies in the United States as their primary resource on business practices.
3. Become recognized by all stakeholders in the built environment as the national voice of the engineering industry.
4. Grow ACEC/PAC to a \$1 million-per-year PAC by 2010, while “capturing” the influence of our most politically active individual members.
5. Grow the Minuteman Fund to respond to critical state issues and federal appellate cases while maintaining a “war chest” of \$1 million.
6. Grow the number of member firms by 2% each year, grow the number of member firm employees by 3% each year, and recruit 90% of the eligible *ENR* “Top 500 Design Firms” as ACEC members by 2010.

PURPOSE:

The Committee ensures that ACEC conducts a high level Engineering Excellence Awards program; recognizes outstanding engineering achievements; and promotes the portrayal of these achievements to the public.

2007-2008 GOALS:

1. Ensure a high level of excellence for the EEA competition.
2. Recommend ways to enhance the EEA competition as an image builder for the engineering industry.
3. Enhance the judging and entry process obtaining a diverse panel of judges with positions of high national prominence.
4. Increase the number of entries in the competition.
5. Recommend to ACEC Staff ways that the panels can be displayed more frequently to show what the engineering community does.
6. Complete the work associated with the DVD documenting the judging process.

PROGRESS REPORTS:

The Committee shall make quarterly reports to the Chairman (copied to the President) on progress made in achieving Committee goals.

Engineering Excellence Awards Committee

Stuart D. Monical
Chairman
MKK Consulting Engineers
7600 E Orchard Rd
Suite 250S
Greenwood Village, CO 80111-2518
