

International Committee 2009 Summer Meeting

July 8, 2009 10 a.m.-2:30 p.m.

ACEC Headquarters
1015 15th Street, NW (8th Floor)
Washington, D.C. 20005

Please join us for an important International Committee business meeting to discuss committee organization and upcoming programs. Following lunch, David W. Fulton (World Bank Director of Business Liaison) will provide a practical, engineering industry focused, training course on finding and capturing Multilateral Development Bank (MDB)-funded projects and consulting opportunities, and will describe how companies can build a strategic approach to MDB-funded business. The training course will address:

- Identifying specific procurement opportunities in MDB-funded projects
- The MDB project development cycle
- Proposed and active projects already in the pipeline
- How the MDBs use consultants and how to register your firm for consulting opportunities
- Engaging the MDBs as a strategic customer segment for your company
- MDB standard contract terms and conditions
