**Code of Conduct**

Conversations should not be had if they encourage or facilitate members to arrive at any agreement that either expressly or impliedly leads to price fixing, a boycott of another's business, or other conduct intended to illegally restrict free trade.

Conversations that encourage or facilitate an agreement about the following subjects are inappropriate: prices, discounts, or terms or conditions of sale; salaries; profits, profit margins, or cost data; market shares, sales territories, or markets; allocation of customers or territories; or selection, rejection, or termination of customers or suppliers.
