

YEAR IN REVIEW

EVENTS THIS YEAR

Every year, each Coalition hosts education and networking opportunities.

This year, SFC hosted "A Roundtable Discussion on Section 174 R&D Amortization." SFC helped organize the popular course "Managing Small Projects Successfully" with PSMJ Consultant, Jared Jamison and the first run of the course "The Secrets to Small Firm Success" with Peter Atherton from ActionsProve.

Join us at the ACEC Fall Conference in Austin, TX at the Small Firm CEO Roundtable to hear more about what SFC plans for this year.
